

INGREDIENTS MATTER

Arnica Flowers

A plant-based pain reliever commonly used for sports injuries and arthritis, Arnica helps reduce bruising and shorten recovery time by increasing circulation and reducing swelling.

Found in: *Relief CBD Bath Soak*

Asian Carp

Low in mercury, high in protein and omega-3 fatty acids.

Found in: *Unruffled CBD Dog Bites Chicken*

Avocado Oil

Rich in Oleic acid and high in lutein and potassium, this antioxidant oil is known to reduce arthritis symptoms and nourish the skin.

Found in: *CBD Original Lip Balm, CBD Vanilla Lip Balm, Eucalyptus Sea Salt CBD Soap, Lavender Sea Salt CBD Soap, Spearmint Sea Salt CBD Soap, Grapefruit Hand and Body Lotion, Vanilla Bourbon Hand and Body Lotion*

Beeswax

Its antiviral, anti-inflammatory, and antibacterial properties are essential in fighting chapped skin and bacterial infections. It forms a protective barrier by sealing moisture in skin without smothering and clogging pores.

Found in: *Calming Balm*

Bergamot Oil

A relaxing oil used to alleviate tension, anxiety, and depression by reducing cortisol and promoting feelings of cheerfulness and energy.

Found in: *Center Roller*

Bitter Orange Oil

With antibacterial, antiseptic, astringent, and anti-inflammatory properties, it's great for clearing skin, and much like orange peel, it can help to overcome constipation, diarrhea, flatulence, stomach aches, and colds.

Found in: *Relax CBD Bath Soak*

Blue Tansy Oil

Works wonders on the skin with antifungal, antibacterial and anti-inflammatory properties, while soothing the nervous system.

Found in: *Relax CBD Bath Soak*

Calendula

Antifungal, anti-inflammatory, and antibacterial properties make it useful in healing minor wounds and soothing skin irritation.

Found in: *Relieving Salve, Soothing Rub*

Camphor

With anti-bacterial and anti-fungal properties and a natural cooling effect, Camphor soothes inflammation, redness, soreness, insect bites, itching, irritation, rashes, acne, sprains, and muscular aches and pains.

Found in: *Breathe CBD Bath Soak, Relieving Salve*

Candelilla Wax

Creates a protective skin barrier to retain moisture.

Found in: *CBD Original Lip Balm, CBD Vanilla Lip Balm, Eucalyptus Sea Salt CBD Soap, Lavender Sea Salt CBD Soap, Spearmint Sea Salt CBD Soap, Relieving Salve, Soothing Rub*

Canola Oil

With 7% saturated fat, canola oil contains both omega-3 and omega-6 fatty acids, which helps reduce cholesterol levels. It's rich in vitamins E and K and reduces skin issues and signs of aging like acne, fine lines, wrinkles, blemishes, and spots.

Found in: *Eucalyptus Sea Salt CBD Soap, Lavender Sea Salt CBD Soap, Spearmint Sea Salt CBD Soap*

Castor Oil

Promotes skin health by moisturizing, soothing, fighting dry skin, and reducing inflammation.

Found in: *Calming Balm*

Catfish

Rich in heart-healthy omega-3 fatty acids and low in mercury, which can help boost your pets immune system and help alleviate allergies or food sensitivities.

Found in: *Unruffled CBD Dog Bites Chicken, Lamb*

Chamomile

Aids in digestion, wound healing, depression, anxiety, and sleep

Found in: *Relax CBD Bath Soak*

Chicken

Builds lean muscle mass in dogs and delivers Omega 6 fatty acids for healthy skin and shiny coats. It also provides amino acids and glucosamine to promote bone growth.

Found in: *Unruffled CBD Dog Bites Chicken*

Chicken Liver

A good source of protein, fat, vitamins A and B, iron, copper, niacin, zinc, and phosphorus, as well as omega-3 and omega 6 fatty acids.

Found in: *Unruffled CBD Dog Bites Chicken, Duck*

Citric Acid

A natural preservative made from citrus fruits that doubles as an anti-aging antioxidant to repair skin and strengthen blood vessels.

Found in: *Breathe CBD Bath Soak, Relax CBD Bath Soak, Relief CBD Bath Soak, Soothe CBD Bath Soak*

Clove Oil

Helps with tummy troubles, relieves pain, and aids in respiratory health. Research shows it might also be useful in dental and topical applications to treat infections.

Found in: *Orange Spice Creamed Honey*

Coconut Oil

This medium-chain fatty acid reduces inflammation, moisturizes, and helps wounds heal. It's known to aid in digestion and liver health, and it's antimicrobial, which helps treat acne and protect the skin from harmful bacteria.

Found in: *Genesis Blend Capsules, CBD Original Lip Balm, CBD Vanilla Lip Balm, Breathe CBD Bath Soak, Relax CBD Bath Soak, Relief CBD Bath Soak, Soothe CBD Bath Soak, Eucalyptus Sea Salt CBD Soap, Lavender Sea Salt CBD Soap, Spearmint Sea Salt CBD Soap, Relieving Salve, Mint Honey Truffle, Treat Yourself 4-pack Honey Truffles, Soothing Rub*

Colloidal Oatmeal

All-natural skin soothing solution for eczema, bug bites, sunburns, poison ivy, and other itchy or inflamed skin conditions. When applied topically, colloidal oatmeal works by attracting moisture to the skin and locking it in by forming a protective barrier.

Found in: *Soothe CBD Bath Soak*

Copaiba

Anti-inflammatory, Copaiba decreases pain by increasing circulation and reducing swelling

Found in: *Relieving Salve*

Dried Lavender

With antiseptic and anti-inflammatory properties, lavender may help heal minor burns, relieve itchy skin, as well as reduce anxiety, insomnia, depression, and restlessness.

Found in: *Relax CBD Bath Soak*

Dried Spearmint

High in antioxidants, dried spearmint is antibacterial and helps to balance hormones and mood.

Found in: *Breathe CBD Bath Soak*

Duck

Rich in iron, amino acids, vitamin E, and omega-3 fatty acids, duck helps support strong muscles, heart and skin health, and is a lean, easily digestible protein source for pets - with anti-inflammatory and immune boosting antioxidants. An ideal source of protein for pets with food allergies or sensitivities.

Found in: *Unruffled CBD Dog Bites Duck*

Elemi

A potent antiseptic, Elemi protects against infections from microbes, bacteria, fungi, and viruses. It's an anti-inflammatory and stimulant often used to relieve pain.

Found in: *Relax CBD Bath Soak*

Epsom Salt

Relaxes body and mind, eliminates toxins, and relieves sore muscles.

Found in: *Breathe CBD Bath Soak, Relax CBD Bath Soak, Relief CBD Bath Soak*

Eucalyptus Oil

This anti-inflammatory, antispasmodic, decongestant, deodorant, and antiseptic oil is known for its ability to support the respiratory system and reduce physical discomfort.

Found in: *Relief CBD Bath Soak, Breathe CBD Bath Soak, Hush Roller, Soothing Rub*

Fish Oil

Used in our dog bites, Fish oil supports immunity and heart health, promotes a silky coat, reduces itchy and flaky skin, and relieves allergies and joint pain.

Found in: *Unruffled CBD Dog Bites Chicken, Duck, Lamb*

Frankincense Oil

May reduce feelings of anxiousness, stimulate the immune system, and diminish signs of aging.

Found in: *Breathe CBD Bath Soak*

Grapefruit Oil

Mood balancing, antibacterial, and antimicrobial with a fresh scent.

Found in: *Grapefruit Creamed Honey, Grapefruit Hand and Body Lotion*

Hand Harvested Sea Salt

Cleans, softens, and hydrates the skin, removing dead skin cells without stripping away natural oils.

Found in: *Eucalyptus Sea Salt CBD Soap, Lavender Sea Salt CBD Soap, Spearmint Sea Salt CBD Soap*

Helichrysum Oil

An analgesic, antispasmodic, and anti-inflammatory oil thought to relieve muscle spasms, inflammation, and pain.

Found in: *Relieving Salve*

Hydrogenated Castor Oil

Creates a protective hydrating layer on the skin's surface, acting as a barrier against the loss of natural moisture.

Found in: *Calming Balm*

Jojoba Butter

Rich with omega-9 and vitamin E, B and antioxidants and minerals like chromium, copper and zinc, which all nourish and protect the skin. Jojoba butter with its anti-aging and anti-microbial benefits is also soothing and deeply hydrating for long-lasting moisturization.

Found in: *Relieving Salve, Soothing Rub*

Kaolin Clay

Gently tones and softens skin while balancing oil production.

Found in: *Breathe CBD Bath Soak, Relax CBD Bath Soak, Relief CBD Bath Soak, Soothe CBD Bath Soak*

Kentucky Honey

With strong antiseptic and antimicrobial properties, honey speeds healing, reduces swelling, and helps with seasonal allergies.

Found in: *Honey Sticks, Creamed Honeys, Honey Truffles*

Lamb

An excellent source of protein and essential amino acids, to support, build and heal muscles and tissues, and to regulate body processes like functionality of the immune system.

Found in: *Unruffled CBD Dog Bites Lamb*

Lavender Oil

With antiseptic and anti-inflammatory properties, lavender oil may help heal minor burns and bug bites. Research suggests that it may be useful for treating anxiety, insomnia, depression, and restlessness. It's also thought to reduce acne, lighten skin, reduce wrinkles, improve hair health and aid in digestion.

Found in: *Soothe CBD Bath Soak, Calming Balm, Lavender Sea Salt CBD Soap*

Lemon Oil

This antiseptic, antifungal, and astringent oil known for its refreshing, energizing and uplifting scent can stimulate, calm, detoxify, and disinfect.

Found in: *Lemon Creamed Honey*

Lemongrass Oil

An antioxidant oil thought to relieve pain and swelling and prevents infection.

Found in: *Calming Balm*

Lemon Peel Oil

Both calming and stimulating with astringent, detoxifying, antiseptic, disinfectant, and anti-fungal properties.

Found in: *Breathe CBD Bath Soak, Soothing Rub*

Lime Oil

Great for enhancing the body's natural abilities to heal, especially during cold and flu season. Lime oil supports the immune system and provides mental clarity, positivity, calm, and harmony.

Found in: *Center Roller*

Mandarin Oil

A rejuvenating oil great for renewing complexion and stimulating growth of new cells.

Found in: *Relax CBD Bath Soak*

Menthol

Promotes easier breathing, while alleviating sore throats, fever symptoms, coughs, headaches, and sinus discomfort. Plus, it supports immunity and stabilizes emotions.

Found in: *Breathe CBD Bath Soak, Soothing Rub*

Mint Oil

Peppermint is most known for its ability to release muscle tension and relieve headaches, but it's also a powerful antibacterial that can disinfect, soothe inflamed skin, relieve muscle spasms and reduce gas.

Found in: *Hush Roller, Mint Honey Truffle, Treat Yourself 4-pack Honey Truffles, Soothing Rub*

Olive Oil

Great for skin, this antioxidant oil may prevent premature aging and sun damage with its calming and highly moisturizing properties.

Found in: *Eucalyptus Sea Salt CBD Soap, Lavender Sea Salt CBD Soap, Spearmint Sea Salt CBD Soap*

Optiphen

A Paraben and Formaldehyde-free preservative.

Found in: *Grapefruit Hand and Body Lotion, Vanilla Bourbon Hand and Body Lotion*

Orange Oil

Boosts mood, relieves allergies, aids digestion, relieves arthritis

Found in: *Orange Spice Creamed Honey, Relax CBD Bath Soak*

Patchouli

Natural deodorant that soothes inflammations, reduces water retention, dissolves cellulite, relieves constipation, promotes weight loss, and aids in wound healing by stimulating the growth of new skin.

Found in: *Relax CBD Bath Soak*

Phytocannabinoids

Used in our hand and body lotion for its anti-inflammatory benefits to reduce redness.

Found in: *Grapefruit Hand and Body Lotion, Vanilla Bourbon Hand and Body Lotion*

Pink Himalayan Sea Salt

Extracts toxins out of skin and tissues, leaving you feeling refreshed and nourished. Ideal for exfoliating, replenishing electrolytes, or simply relaxing.

Found in: *Soothe CBD Bath Soak*

Rose Hip Seed Oil

Fatty acids and Vitamin A moisturize the skin, promote skin regeneration, and can improve skin flexibility and permeability. This means that rosehip oil products can improve skin texture and even reduce the appearance of acne scars or stretch marks. It exfoliates and brightens, boosts collagen formation, and reduces inflammation.

Found in: *Soothe CBD Bath Soak*

Salmon Oil

Rich in omega-3 fats, salmon oil is associated with an array of health benefits including reducing inflammation, boosting skin, heart and brain health, and weight management. Studies have also shown it may aid in reducing the risk of cognitive decline and development of neurodegenerative diseases.

Found in: *Unruffled Pet Oil*

Shea Butter

With anti-inflammatory and healing properties, and high concentrations of fatty acids and vitamins make shea butter an ideal ingredient for conditioning, toning, and softening skin.

Found in: *Grapefruit Hand and Body Lotion, Vanilla Bourbon Hand and Body Lotion*

Sodium Bicarbonate

Relieves itchy and uncomfortable skin.

Found in: *Breathe CBD Bath Soak, Relax CBD Bath Soak, Relief CBD Bath Soak, Soothe CBD Bath Soak*

Spearmint Oil

Best known for its ability to relieve digestive discomfort like nausea, vomiting, gas, and indigestion, spearmint oil is also high in antioxidants and may help balance female hormones.

Found in: *Relief CBD Bath Soak*

Sweet Almond Oil

Boosts collagen production, relieves muscle aches, detoxifies, keeps skin hydrated and supple, and protects against UV damage.

Found in: *CBD Original Lip Balm, CBD Vanilla Lip Balm, Eucalyptus Sea Salt CBD Soap, Lavender Sea Salt CBD Soap, Spearmint Sea Salt CBD Soap, Grapefruit Hand and Body Lotion, Vanilla Bourbon Hand and Body Lotion*

Sweet Bay Leaf Oil

Relives joint and muscle pain.

Found in: *Breathe CBD Bath Soak, Soothing Rub*

Tea Tree Oil

Antibacterial, anti-inflammatory, antiviral, and antifungal.

Found in: *Breathe CBD Bath Soak, Soothing Rub*

USP MCT Oil

Pharmaceutical grade (USP) and derived from coconuts. This antimicrobial and anti-fungal super fuel is easily absorbed into the body, meaning it's more likely to be used as energy rather than be stored as body fat. MCT is converted into ketones, which are proven to be beneficial for neurological conditions like epilepsy, Alzheimer's, and autism.

Found in: *Genesis Blend Hemp Extract, Genesis Blend Extra Strength Extract, Honey Sticks, and Creamed Honeys*

Vitamin E

Supports the immune system, cell function, and skin health. Vitamin E is an antioxidant, which means it may combat free radicals and reduce the appearance of UV skin damage.

Found in: *Eucalyptus Sea Salt CBD Soap, Lavender Sea Salt CBD Soap, Spearmint Sea Salt CBD Soap*

Ylang-ylang

Renowned for its mood enhancing, sedative, antidepressant, beautifying, and aphrodisiac properties, ylang-ylang also boosts the immune, cardiovascular, and endocrine systems, while relaxing body and mind.

Found in: *Relax CBD Bath Soak*
